A warm, sepia-toned photograph of two elderly men sitting at a table. The man on the left is wearing glasses and a patterned jacket, smiling and gesturing with his hands. The man on the right is wearing a cap, glasses, and a white shirt, holding a white cup and smiling back. The background shows a window with a grid pattern and a framed picture on the wall.

Maa e-zine is a specialty publisher that focuses on online information and presentation of the print media.

e-zine in concept is reworking of the popular magazine format of seasonal, monthly, or weekly topical publications, in an electronic format.

Some are simply electronic versions of existing print magazines, whereas others exist only in their digital format.
